

# Bauble Jacket 5 to fit a 6cm diameter bauble

Hang or sew the pairs in order onto the ring.

A = 1st thread  
 B = 2nd thread  
 w = worker pair

For 9mm ring:  
 1 pr A, 4 prs B, 2 prs A (w),  
 4 prs B, 1 pr A

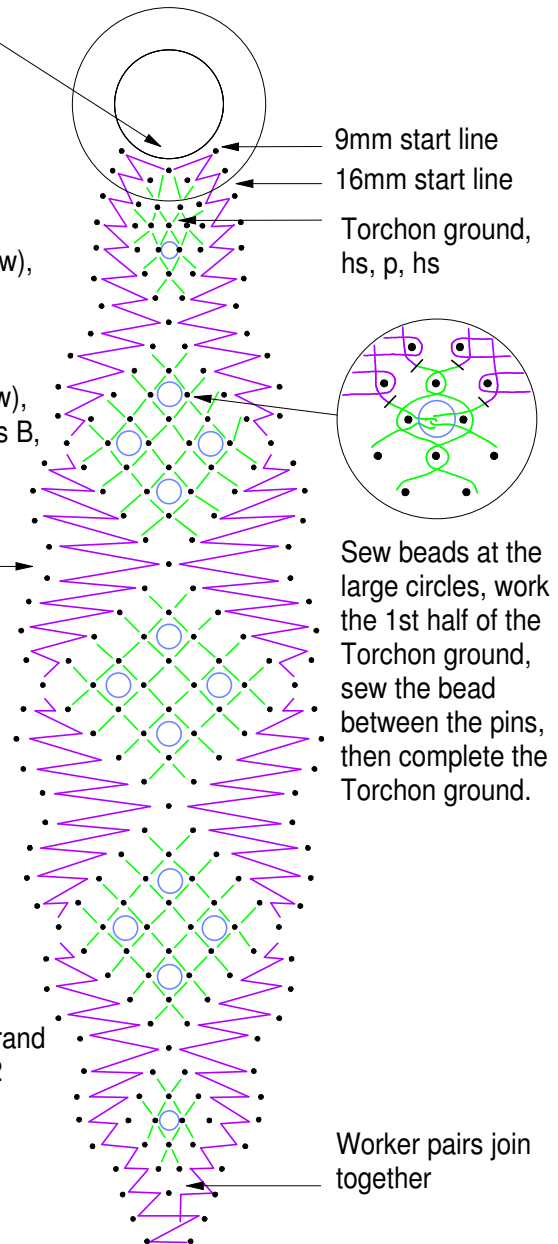

For 16mm ring:  
 1 pr A, 2 prs B, 1 pr A (w),  
 4 prs B, 1 pr A (w), 2 prs B,  
 1 pr A

Fans worked in cloth stitch, etc.

Suitable threads:  
 30 weight cotton or  
 Madeira Metallic 40  
 DMC Light Effects, 1 strand  
 or Moravia Metallic 40/2

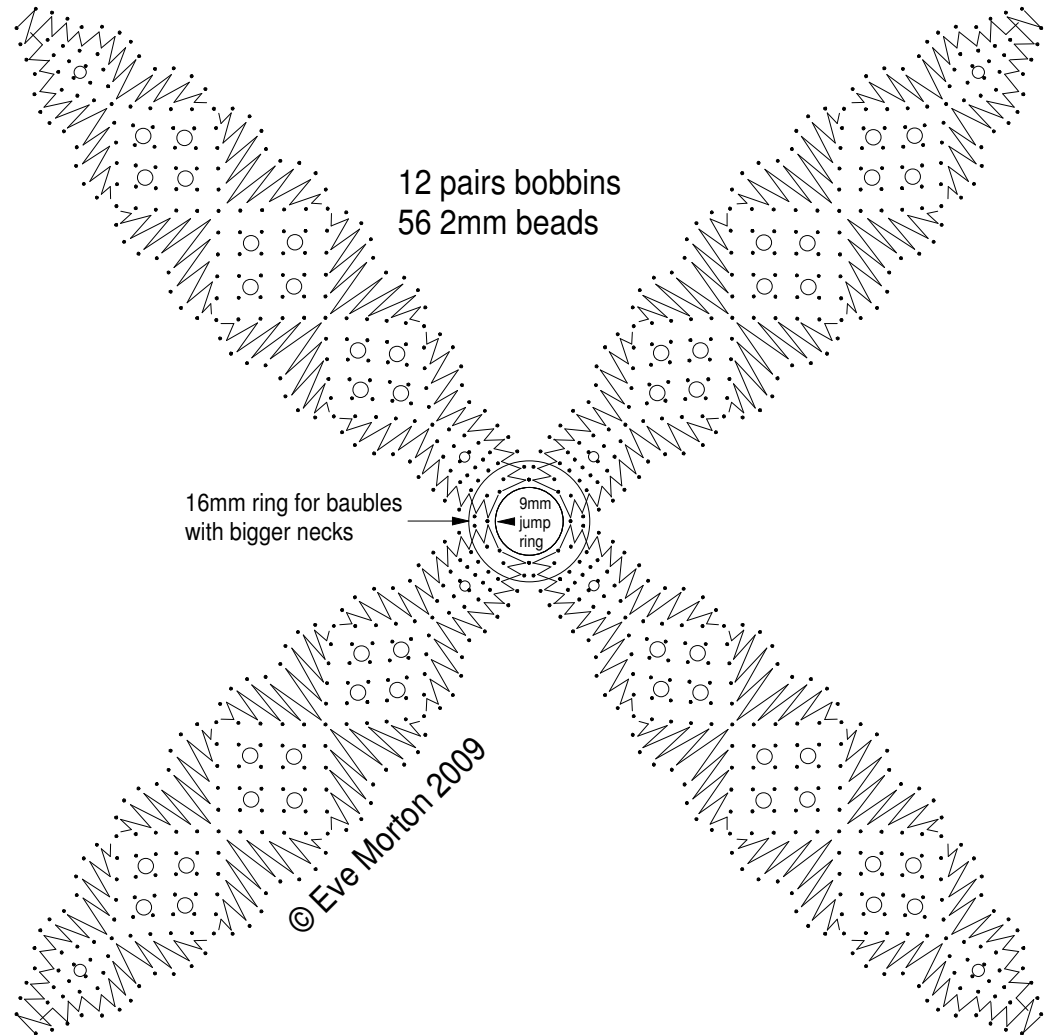

Use finer thread for the passives and thicker metallic for the workers.

## Working diagram

Sew beads at the large circles, work the 1st half of the Torchon ground, sew the bead between the pins, then complete the Torchon ground.

Worker pairs join together
